 - One After 909
 - Don't Let Me Down
 - I Me Mine
 - Across The Universe
 - Let It Be
- BONUS DISC 2
- Fly On The Wall (Studio banter and jamming)

The LET IT BE album was compiled from sessions, rehearsals and recordings, and a live rooftop concert, that predominantly took place prior to the ABBEY ROAD *LP* recordings. The U.K. and U.S. *LPs* contained the same recordings, but the packaging differed. The U.K. *LP* was initially issued as part of a box set that included a 164 page book of photos and text. The U.S. *LP* was initially issued in a gatefold cover featuring photos from the sessions.

In 2003, the original recordings were remixed to form a new album titled LET IT BE...Naked.
